Développement de la Recherche Sociale en Afrique

Editor

**Vol. XVIII, No. 2, 1993**

**Africa Development** is the quarterly bi-lingual journal of CODESRIA. It is a social science journal whose major focus is on issues which are central to the development of society. Its principal objective is to provide a forum for the exchange of ideas among African scholars from a variety of intellectual persuasions and various disciplines. The journal also encourages other contributors working on Africa or those undertaking comparative analysis of Third World issues.

**Africa Development** welcomes contributions which cut across disciplinary boundaries. Articles with a narrow focus and uncomprehensible to people outside that discipline are unlikely to be accepted.

The journal is abstracted in the following indexes: *International African Bibliography*; *Documentatieblad*; *Abstracts on Rural Development in the Tropics*; *Documentationselienst Africa*; *A Current Bibliography on African Affairs*.

**Afrique et Développement** est un périodique trimestriel bilingue du CODESRIA. C'est une revue de sciences sociales consacrée pour l'essentiel aux problèmes de développement et de société. Son objectif fondamental est de créer un forum pour des échanges d'idées entre intellectuels africains de convictions et de disciplines diverses. Il est également ouvert aux autres chercheurs travaillant sur l'Afrique et à ceux se consacrant à des études comparatives sur le Tiers-monde.

**Afrique et Développement** souhaite recevoir des articles mobilisant les acquis de différentes disciplines. Des articles 'trop spécialisés ou incompréhensibles aux personnes qui sont en dehors de la discipline ne seront probablement pas acceptés.

Les articles publiés dans le périodique sont indexés dans les journaux spécialisés suivants: *International African Bibliography*; *Documentatieblad*; *Abstracts on Rural Development in the Tropics*; *Documentationselienst Africa*; *A Current Bibliography on African Affairs*

As we go to press with this issue of *Africa Development*, Ms Zenebeworke Tadesse, Editor of *Africa Development* and Deputy Executive Secretary (Publications) retires from CODESRIA to take on new challenges back home in Ethiopia. This is the last issue which she is editing.

We take this opportunity to pay a glowing tribute to the dedication, devotion, integrity and intelligence which Zene over the past seven years has brought into building CODESRIA's publications programme into one of the top most in academic publishing in Africa. We wish her all the best in her new life.

Au moment où nous envoyons ce numéro d'*Afrique et Développement* en impression, Mme Zenebeworke Tadesse, rédacteur de ce journal et Secrétaire Exécutif adjoint chargé des publications quitte le CODESRIA pour aller affronter de nouveaux défis chez elle en Ethiopie; le présent numéro est le dernier que le CODESRIA a publié sous sa direction.

Nous voudrions profiter de cette occasion pour rendre un vibrant hommage au dévouement, à l'intégrité et à l'intelligence avec lesquels Zene a fait du programme de publication du CODESRIA l'une des meilleures éditions scientifique en Afrique pendant les sept années qu'elle a dirigé la section des publications. ## NEW RELEASE CODESRIA BOOK SERIES

**Ghana Under PNDC Rule** analyses the changes in Ghanaian society under Rawlings's Provisional National Defence Council, the longest serving government in the country's turbulent history. Since 1981, Rawlings has become a favourite of the World Bank and the International Monetary Fund, and his government's Structural Adjustment Programmes have been judged as the most thoroughgoing and consistent in the world. What shape did this transition from 'revolution' to 'economic recovery' take? What has been the effect of these policies on the

Ghanaian economy, and more importantly, the Ghanaian people?

Very little has been written about the policies and outcomes of the Rawlings regime. This book, written by Ghanaian scholars is a vital contribution to the written history of Ghana. Topics include the crisis of 1981 and the retreat from democratic rule and the role of the state in achieving political objectives. Strategies of political mobilisation, are examined, as are the IMF and World Bank-influenced agricultural and economic policies. Changes in foreign policy and the law and the effects of PNDC policies on women and their impact on labour are also looked at in depth.

This book is essential reading for any student, scholar, individual or organisation who is interested in Military rule, impact of Structural Adjustment Programmes in Africa.
