The Council for the Development of Social Science Research in Africa (CODESRIA) is an independent organisation whose principal objectives are facilitating research, promoting research-based publishing and creating multiple forums geared towards the exchange of views and information among African researchers. It challenges the fragmentation of research through the creation of thematic research networks that cut across linguistic and regional boundaries.

CODESRIA would like to express its gratitude to African Governments, the Swedish Development Co-operation Agency (SIDA/SAREC), the International Development Research Centre (IDRC), OXFAM GB/I, the MacArthur Foundation, the Carnegie Corporation, the Norwegian Ministry of Foreign Affairs, the Danish Agency for International Development (DANIDA), the French Ministry of Cooperation, the Ford Foundation, the United Nations Development Programme (UNDP), the Rockefeller Foundation, the Prince Claus Fund and the Government of Senegal for support of its research, publication and training activities.

AFRICA REVIEW OF BOOKS
ISSN 0851-7592

Notes for Contributors

The **Africa Review of Books** presents a biannual review of works on Africa in the social sciences, humanities and creative arts. It is also intended to serve as a forum for critical analyses, reflections and debates about Africa. As such, the **Review** solicits book reviews, review articles and essays. Contributions that traverse disciplinary boundaries and encourage interdisciplinary dialogue and debate are particularly welcome.

Reviews and essays should be **original** contributions: they should not have been published elsewhere prior to their submission, nor should they be under consideration for any other publication at the same time.

The recommended **length** of manuscripts is 2000 words, with occasional exceptions of up to 3,000 words for review articles or commissioned essays. Notes (which should be submitted as endnotes rather than as footnotes) should be used sparingly.

Manuscripts should begin with the following **publication details**: title of the book; author; publisher; number of pages; price; and ISBN number.

Manuscripts are best sent electronically as e-mail attachments. If sent by post as hard copy, they should be accompanied by soft versions on diskette in the MS Word or RTF format. Authors should also send with their submissions their full address and institutional affiliation as well as a short bio-data (including a sample of recent publications) for use on the "Notes on Contributors" section.

Authors are entitled to two copies of the issue of the **Review** in which their contribution is published.

All communications (contributions, editorial correspondence, books for review, as well as subscription and advertising enquiries) should be addressed to:

ISSN 0851-7592

Notes aux Contributeurs

La **Revue Africaine des Livres** présente une revue semestrielle de travaux sur l'Afrique dans le domaine des sciences sociales, des sciences humaines et des arts créatifs. Elle a pour but de servir de forum pour des analyses critiques, des réflexions et des débats sur l'Afrique. À ce titre, la Revue souhaiterait recevoir des articles critiques, des essais et des comptes-rendus de livres. Les contributions qui transcendent les barrières disciplinaires et encouragent le dialogue interdisciplinaire et les débats sont particulièrement les bienvenues.

Articles critiques et essais devront être des contributions originales: elles ne devront avoir fait l'objet d'aucune autre publication avant d'avoir été proposées, pas plus qu'elles ne pourraient être prises en considération pour d'autres publications au même moment.

La longueur recommandée pour les manuscrits est de 2000 mots, avec d'éventuelles exceptions pour les articles critiques commandités. Les notes (qui devraient être proposées en fin plutôt qu'en bas de page) devront être utilisées de façon très succinte.

Les manuscrits devront commencer avec les détails de publication suivants: titre de l'ouvrage, auteur, éditeur, nombre de pages, prix et numéro ISBN.

Les manuscrits devront être envoyés par courrier électronique de préférence en tant que fichier attaché. S'ils sont envoyés par poste sous forme de copie originale, ils devront etre accompagnés d'une version sous forme de disquette MS Word ou au format RTF. Les auteurs devront aussi soumettre leurs contributions en mentionnant leur adresse complète, leur insttution de tutelle ainsi qu'une brève note biographique (avec un aperçu des publications les plus récentes) qui pourra être utilisée dans la section «Notes sur le contributeurs».

Les auteurs auront droit à deux exemplaires du de la **Revue** dans lequel paraîtra leur contribution.
