

An EMBONDEIRO/BAOBAB Dies

It is sad when we know an EMBONDEIRO/ BAOBAB dies! We know it is part of life but there are human beings we would like inspiring us alive! Samir Amin is part of my understanding of Mozambique, Africa, the World. Part of my militancy

against capitalism, imperialism, exploitation. Part of my struggle to

build new relations among human beings and with the Earth. It is our duty to go on and improve his ideas and militancy within CODESRIA and any other organisations or institutions we are involved.

A LUTA CONTINUA!
