

## "I speak, I lie!"

"I speak, I lie!" whenever he speaks, he also lies

erasing memory, discarding the past trashing the ancient, constructing brand new lies

"100 years is enough!" prior to Min-yilik, Ethiopia was not!

[fast forward ...]

here I am! the sender and the sent – the apostolate!

anointer, anointed, anointment

I AM ...
the electing (voter),
I AM
the elected (self)!
I AM
the gazing other (the observer)

"no end for my rule" no boundary of time for your sake, they shoulder me "patience!"

before I, 'Ethiopia proper' never exist!

i am the maker, the marker, the inventor.

my weapon is terror, my weapon is media my weapon is the constitution, the justice court and the par-lama my weapon is the LAW i write, i interpret, i judge

mimicking a colonial narration?
"a continent without history and civilization..."
prior to the advent of explorers and 'discoverers', we were not!

then, in the name of civilizing mission, now, in the name of developing a nation.

they (the colonizers & the dictators)
made roads
for this, we are obliged to offer homages
but we knew in our hearts, it is for
more exploitations

tormenting us by fear, ruling us by terror teary of no tear gas but sniper

under the façade of the colonizer emerges, the new nation-state's order the *balager* is the resident-alien, the stranger once his umbilical cord buried and connects him with the land as a signifier of life now alienated – cut off from "motherearth", utterly disconnected

let alone feeding family from the fruit of his tilling the soil no chance to rest his body for the final Sabbath

double displacement - both in life and death

'the wretched of the earth'
the peasant, (85 %),
no heroic father, no ancient history or
no motherland; has he
we are state-orphans
seeking for adoptions.

yay, it is 'free-market'
yet, the "native" is utterly estranged
the elite and the ex-pat with the dollar
are the 'balager'
the owner, the land grabber – the monger.

resources belong to the rich
"bourgeois"
with the aid of invest-exploiters
with the loaners of the worldly bankers:
World Bank, IMF
for the sake of the "West"
the loaners and donors ... the rest is a "waste"
too generous in giving out lands and its fruits

uprooting what is indigenous: the seed, the plant, the forest, the farmer the crypt, the monasteries, the professor

in slathering lives for senseless wars

spirit of the living and the dead, tormented, tortured, mutilated he lynched us publicly with insulting tongues we are fond of gazing at our artificial images via the deformed mirror and listening to the power of falsity always monotonic and violent

> millions don't count we are just percent numbers, nameless colorless, faceless, voiceless stateless, rootless

i lament not because we are landlocked but mentally-shackled, not because we are geographically dispersed, exiled but culturally displaced historically uprooted.

he is our name, our face, our voice our representation and our representative as if we are like him or he is just like us

he (single handedly) colonized us
as if there were no empires and kingdoms
he divided us into "tribes"
in the name of ethnic-federalism/s
we happily perform our "tribal" dances
in ecstasy, our body spins
for the 'unknown' spirits
they are awaiting for blood, not
satisfied with ashes

sucked by the empire of the vampire donating our money-blood

for the sake of his belly he makes us a-h-ungry (angry, hungry and pacify us from both)

he spoke those "wicked" words of "democracy," "development" and "renaissanceeeeee" we echo and re-echo "renaissanceeeeee", "renaissanceeeeee"

again we are just numbers singing, 'a resounding gong or a clanging cymbals'

behold: the demi-god!
re-activating the ... emperor-cult
once more, listen to the lie
to the one who acts as if he is Omni ...
again, listen to his speech-acts;
"i am immortal!"
